  - i) The requested records are stored in whole or in part at other locations than the office having charge of the requested records;

In setting the amount of the waiver or reduction, the District shall take into consideration the amount of materials requested and the cost of copying them.

If the Fire Chief determines the legitimate public interests outweigh privacy interests, the Fire Chief shall release the documents. Private, personal information on such released records may be redacted.
- b. If the Fire Chief or his/her designee determines the right to privacy outweighs any legitimate public interest, the Fire Chief shall seek an advisory opinion from the Public Access Counselor pursuant to the procedures adopted by that body.
- c. If the Fire Chief believes the advisory opinion is in error, with the consent of the Board of Trustees, the Fire Chief may seek judicial review of the decision.

**7. Preliminary Drafts and Similar Documents**

- a. When the Fire Chief or his/her designee determines that a requested document is exempt under Section 7(i)(f), he shall initiate the advisory opinion procedures of the Public Access Counselor.
- b. If the Fire Chief believes the advisory opinion is in error, the consent of the Board of Trustees, the Fire Chief may seek judicial review of the decision.

- a. Prior to responding to a request for records, the Fire Chief or his/her designee shall determine whether the requested records will be used in any sale, resale, solicitation or advertisements for sales or services. If the Fire Chief determines that the request is for one of these purposes, it shall be deemed a commercial request and response shall be governed by this section. Requests received from news media, non-profit, scientific or academic organizations shall not be considered commercial requests.
- b. When a request is for a commercial purpose, the Fire Chief or his/her designee shall respond to the requestor within five (5) business days, informing the requestor that the request is considered commercial.
