

# If your clothes catch on fire...

Trace the numbers.

1 ■ stop,

2 ■ drop,  
and

3 ■ roll.

**Firepup®'s Safety Message:** Demonstrate the Stop, Drop, and Roll Procedure with children. Teach them that if their clothing catches on fire to: 1.) stop where they are, 2.) drop to the floor, 3.) cover their face, 4.) and roll over and over or back and forth to put out the flames. Help children to understand that they should never run if their clothes are on fire because it only fans the flames, spreading the fire.
